Aimee Whiley

Interior Designer · Space Planner · Revit & BIM Specialist

T 066 276 7976 E AWANGELIQUE@HOTMAIL.COM L ALBERTON NORTH, JOHANNESBURG

01 PROFILE

Fourteen years of shaping the spaces people shop, work and breathe in — from national retail floorplates to the systems hidden above the ceiling.

Interior designer and space planner (National Diploma, University of Johannesburg) with a career spanning retail store design, shopfitting and technical building systems. As lead concept designer and BIM manager at Pick n Pay, drove national store space planning and the company-wide migration from AutoCAD to Revit Architecture. Equally at home client-side: sales, quoting, supplier liaison and project coordination up to R4 million.

02 FEATURED PROJECT

Bliss Brands Head Office ducted HVAC installation

Sole project manager on a R4-million 'Hideaway' ducted system, working alongside Fourways Group designers. Designed the fresh-air intake, supply and HVAC systems; procured and supplied all equipment and materials; coordinated technicians, installers and appointed contractors; and worked with engineers to secure legal compliance and final sign-off.

03 EXPERIENCE – CONTINUED

2018 – 2022

KENSINGTON, JHB

Store Space Planner & Designer / Architectural Technician

PICK N PAY

- Main designer for new 3D store concepts; space plans and design presentations for retail stores nationally.
- BIM manager — converted the full CAD component library to Revit Architecture 3D components and organised it on the server.
- Custodian of blueprint designs and their upkeep across the store portfolio; designed new shopfitting units with the shopfitting department.
- Trained colleagues transitioning from AutoCAD to Revit; laid design-side groundwork for SAP integration, generating equipment buying lists from design plans.

2018

JAN – NOV

Personal Assistant & Administrator

PAN AFRICAN SHOPFITTERS

- Sales support, quotations, import/export administration and factory-floor quality checks.
- Assisted concept design for the Hamleys toy store; liaised with suppliers, clients and contractors.

2010 – 2018

TULISA PARK, JHB

Project Coordinator / Architectural Assistant / Sales

TURBO VENT AFRICA

- Coordinated the company building renovation: construction and furniture drawings, electrical layouts, budgets and schedules.
- Designed and produced the company product catalogue in CorelDraw.
- Quotations and designs for evaporative coolers and split air-conditioning; managed dealer events, showcases and year-end functions.
